Dan Crawford of Central Africa led the devotional exercises and gave an earnest talk on Friendships. Principal C. E. Dickenson greeted the students and wished them a happy and prosperous year.

Examinations for entrance were given Wednesday and today and regular recitation routine will be taken up Friday. On Sunday evening W. R. Moody will address the students at Sage chapel. A reception to the new students will be given in Skinner gymnasium Monday evening under the direction of the Y. W. C. A. of the school.

The teaching force of the school numbers about 40, with 10 matrons and as many resident officers. Amberg G. Moody is clerk of the board of trustees, which now numbers 36.

This term ends Jan. 26, 1914, with a recess at Christmas time from Dec. 19 to Jan. 6. There will be no recess at Thanksgiving this year, except the holiday, which will be observed in the seminary by the students and faculty. All conditions point to one of the most prosperous years of the school.
